

Jamileh Kharrazi Breaking News in the World of Movies

Phoolan Devi (The Bandit Queen), the Movie

This film, soon to be screened, is about a movement, voicing the pain and the injustice against women throughout the world. Phoolan was not just a woman; she was a movement. She shook India to its foundations. She did the impossible and achieved the unthinkable. That's why she has so many followers today.

Jamileh Kharrazi, the Senior Executive producer of this film says: "The legacy continues. This film is not about the past; it is about the future. And I am proud to help to introduce this movement to the world, it is just a beginning."
