

## Lady Kharrazi is Presented with a Key to Kansas City

6 Dec 2018

Scott Wagner the Mayor pro Tem of Kansas City presented Lady Kharrazi with the key to the city on Dec 6.

During an hour long meeting in the City Hall the Mayor highlighted the economic growth and development of the City during the past decade and encouraged Lady Kharrazi to consider Kansas City as an ideal City for investment in real state and in particular for Senior Housing Projects. Lady Kharrazi expressing her appreciation to Mr Wagner indicated that this was her 3rd visit to the City and said Kansas City is one of the most liveable cities in the United States and that she would certainly consider it as the next destination for the expansion of her US development projects.
